

(1) The service agreement shall contain participant reporting requirements (e.g., quarterly, annual, and/or close-out) to allow for program monitoring and evaluation.

§ 3431.19 Payment and tax liability.

(a) *Loan repayment.* Loan repayments pursuant to a service agreement are made directly to a participant's lender(s) by the Secretary or the VMLRP service provider. If there is more than one outstanding qualified educational loan, the Secretary will repay the loans in the following order, unless the Secretary determines significant savings to the program would result from paying loans in a different order of priority:

(1) Loans guaranteed by the U.S. Department of Education;

(2) Loans made or guaranteed by a State;

(3) Loans made by a School; and

(4) Loans made by other entities, including commercial loans.

(b) *Tax Liability Payments.* Tax payments equal to 39 percent of the total loan repayment amount will be credited directly to the participant's IRS (Federal tax) account simultaneously with each loan payment. The Secretary may make payments of an amount not to exceed 39 percent of the actual annual loan repayments made in a calendar year for all or part of the increased Federal, State, and local tax liability resulting from loan repayments received under the VMLRP. However, the Secretary may increase the cap, if appropriate. Supplementary payments for increased tax liability may be made for the actual amount of tax liability associated with the receipt of loan repayments under the VMLRP. Availability of these additional tax liability payments (i.e., in excess of 39 percent or other approved cap) will be identified in the RFA and in the participant service agreement. Program participants wishing to receive tax liability payments will be required to submit their requests for such payments in a manner prescribed by the Secretary and must provide the Secretary with any documentation the Secretary determines is necessary to establish a program participant's increased tax liability. Tax liability payments in ex-

cess of 39 percent or other approved cap will be made on a reimbursement basis only.

(c) Under § 3431.19(a) and (b), the Secretary will make loan and tax liability payments to the extent appropriated funds are available for these purposes.

§ 3431.20 Administration.

The VMLRP will be administered by NIFA, Office of Extramural Programs (OEP). OEP may carry out this program directly or enter into agreements with another Federal agency or other service provider to assist in the administration of the VMLRP. However, the determination of the veterinarian shortage areas, peer review of individual VMLRP applications, and the overall VMLRP oversight and coordination will reside with the Secretary.

§ 3431.21 Breach.

(a) *General.* If a program participant fails to complete the period of obligated service incurred under the service agreement, including failing to comply with the applicable terms and conditions of a waiver granted by the Secretary, the program participant must pay to the United States an amount as determined in the service agreement. Payment of this amount shall be made within 90 days of the date that the program participant failed to complete the period of obligated service, as determined by the Secretary.

(b) *Exceptions.*

(1) A termination of service for reasons that are beyond the control of the program participant will not be considered a breach.

(2) A transfer of service from one shortage situation to another, if approved by the Secretary, will not be considered a breach.

(3) A call or order to active duty will not be considered a breach.

(c) The Secretary may renegotiate the terms of a participant's service agreement in the event of a transfer, termination or call to active duty pursuant to paragraph (b) of this section.

(d) *Amount of repayment.* The service agreement shall provide the method for the calculation of the amount owed by a program participant who has breached a service agreement.
